PERU

inca's treasure

Located on the Central West Coast of South America, Peru is undoubtedly one of the most attractive countries in Latin America.

Its ecological and cultural diversity, the impressive variety of its landscapes, the cheerful character of its people and its historically rich cities and beautiful archaeological monuments make of Peru a unique country in the world.

The current peruvian territory has also been the home to some of the richest Pre-Columbian civilization, complex societies, that achieved extremely high levels of development in terms of architecture, textiles, ceramics, gold and silver work, among others.

Pontificia Universidad Católica del Perú (PUCP)

Considered one of the 20 most important universities in Latin America and TOP 1 university in Peru, PUCP has gained its spot due to the high quality of its education, research, social responsibility, contribution to culture and academic leadership.

Almost 30,000 students in undergraduate, master's and doctoral programs and more than 400 international agreements with important Higher Education Institutions from all over the world.

What Makes Us Special

Our Live Online Courses will provide you the opportunity to learn and do research in an specific field led by some of the most prestigious faculty members and scholars from PUCP in a virtual environment.

With our courses, you will establish conversations with our teachers from different academic areas and students from all over the world. By the end of the program, you will have expanded your knowledge of peruvian history and culture, improved your ability to analyze social aspects and contributed to the satisfaction of needs by applying theoretical concepts to local problems.

The 2020 edition offers 6 online courses. Every course holds a minimum of 32 academic hours (2 credits) and a minimum of 10 and maximum of 20 participants for a better interaction during the class. You will receive a Certificate of Attendance and an Official Transcript from PUCP upon approval of the course.
